MISSION OF ALUMNI CELL

Alumni Association is to support the college through the knowledge, skills and loyalty of its alumni; to communicate and interpret the College's goals and achievements to others; and to promote a spirit of unity among former students.

RANE FOUNDATION

The Rane Polytechnic Campus (RPTC) is a self - financed institution managed by Rane Foundation. The College was started during the academic year 2011-12, approved by All India Council for Technical Education (AICTE), New Delhi and affiliated to Directorate of Technical Education (DOTE), Tamil Nadu to conduct Three Year Diploma level courses in Engineering and Technology, with an objective to promote quality technical education in Trichy and Neighboring Districts. It has an eco - friendly building , spread over a 7 acre , campus at Fatima Nagar, Sethurapatti Village , Srirangam Taluk , Tiruchirappalli District.

Principal Message

We believe that Alumni play a major role in rendering quality services in all its initiatives. In line with the mission statement, the college strives to provide educational opportunities to all aspiring youth to excel in life by nurturing academic excellence, fostering values, creating civic responsibility and building global competencies in a dynamic environment. The best place to start practicing what you have gained would be your alma mater.

Keeping this in mind, we always try to strengthen our alumni community. To make the connectivity more functional we have recently designed an aesthetically pleasing portal which will allow you to stay connected and network with ever increasing array of luminary and alumni.

We invite you to share your experiences and futuristic progressions through this portal. It is quiet rewarding to be a part of success stories of our alumni members. Inviting you all to and stay connected for productive causes.

With warm regards.

Dr. R. Joshua Arulkumar, Principal

STUDENTS REVIEW

Looking back at the 3 years that I spent in engineering, there are so many memories that come as my flashback. I had the pleasure of completing my diploma from RPTC under the guidance of highly efficient Professors and Management. From the first day itself the institute has surprised me with such a phenomenal step by step learning process. Engineering course is not just a process of earning a diploma. It is a period which defines your life. You enter a college as a confused teenager and a right Institute serves the very purpose of moulding you up in each and every respect.

RISHEE VARTHAN R B, Higher Studies

RPTC was more than a college to me. Its a privilege to be connected to this institution. A place where I gained knowledge, best needed for the survival in outer world and confidence. Right from day one energy and enthusiasm is what I experienced, be it faculty or students. I am what I am this day because of the curriculum, the teaching methodology adopted by the professors. An Amazing institution which teaches you self discipline, confidence and problem solving an essential traits to start your journey .
